

REPUBLIC OF SOUTH SUDAN
CENTRAL EQUATORIA STATE
JUBA CITY COUNCIL

Office of the Mayor

Chief Executive Officer
Juba City Council- Juba

Date:- 24/07/2023

Subject: Temporary Waiver/Suspension of City Council Taxes on Water Tankers

- 1- Due to Public outcry on the unnecessary water Prices in Juba City which is mostly associated with Multiple Taxes that cause water Tankers to increase the cost of water supplied in drums,
- 2- I hereby direct the Chief Executive Officer of Juba City Council and the Revenue Department to temporarily suspend City Council Taxes imposed on the Water Tankers with immediate effect as a measure to reduce water prices. During the period of waiver, Juba City Council to review its rates and taxes being collected from the water tankers.
- 3- Request the National Ministry of Water Resources and Irrigation and the Urban Water corporation to urgently determine the scientific Rates for sale of Water within and around Juba City Council since the above institutions are responsible for production, control and sale of Water from the supply sources to the water Tankers and the Police within Juba City Council to cease daily inspection of Water Tankers and instead do it on monthly basis in a designated location.

Passed for necessary action
