Date: 21<sup>st</sup> October, 2022

To All Missions/ Embassies Abroad,  
The Republic of South Sudan

Subject: **The Flag of South Sudan Colours**

Reference to the above mentioned subject, the Directorate of Protocol & Public Relations of the Ministry of Foreign affairs & International Cooperation have noticed that some of the missions / Embassies of the South Sudan abroad are using the South Sudan flag with wrong colors.

In this regards, the Ministry kindly would like to advise the missions/ Embassies of the Republic of South Sudan abroad to correctly consider presenting all six (6) colors of our flag in a right way, especially to use the right colours of the triangle with blue color that **must be a sky blue ( or light blue) with yellow bright star in the middle** instead of navy blue color.

Please, accept the assurances of my highest consideration
