CHRISTMAS AND NEW YEAR'S MESSAGE:

Dear South Sudanese worldwide,

The Leadership of South Sudan National Movement For Change-SSNMC is elated to convey its Christmas and New Year's message on the occasion of successful crossover to the new year 2024. The year [2023](#) has been a year of mixed testimonies of success, pain and hope for the people of South Sudan and the rest of the World. Many stories of significant progress within the SSNMC, Peace Partners and the Transitional Government of National Unity have been remarkably registered in the most recent past. The shortcomings occupies other parts of the fairytale, however, there is a room for an improvement and a much better angle for progress in year 2024.

To the SSNMC family and the ever enduring citizens of the Republic of South Sudan, with gratitude, I would like to acknowledge your unmatched level of endurance, resilience and determination you have shown throughout the past difficult year marked with economic depression, isolated conflicts, hunger, disease and loss of lives. Despite the difficulties, you have been the beacons of hope for rebirth of new South Sudan at peace with itself, where all people reunite amongst themselves once again and together embark on a journey to prosperity.

Fellow Leaders, Country Men and Women, Elderly and the Youth, as we begin this year's journey, let us reflect on the need to consolidate peace among our communities by avoiding community based politics of antagonism and violence. As we approach the season of election,

let us be careful of communities' and ethnic alliances that are meant to prejudice another section of South Sudanese. It is time for leaders to build consensus on political issues and identify practical steps for the peaceful future of this Country; the Republic of South Sudan

On behalf of my family and the SSNMC family, I am sending to you all love, peace, happiness and blessings. Merry Christmas and Prosperous New Year 2024!

Best wishes
