**Bombing of innocent civilians of Akobo County by SSPDF/UPDF gunship**

Today, 18 March 2025 Akobo County, in surprise notice, a helicopter gunship from SSPDF or UPDF from Juba bombarding Akobo County targeting two trader vehicles from Akobo west to Akobo east.

I personally involved in transportation of the remains of late Maj Gen Majur Dak to Juba, I also ordered the facilitation eleven soldiers to Juba and determined to facilitate more who are instructed to go to Juba through Akobo, was it not a spirit of peace?

In today's bombardment of Akobo County, it is true that, a cowardice war is being secretly declared on innocent civilians of Akobo County.

Thus, I call on IGAD, AU, TROIKA, EU, CTSAMVM, RJMEC, and UN (UNMISS) to urgently investigate the incident, I demand clarity on why innocent civilians are being targeted by the same government that supposed to protect them.
